Eileen Garding

Mrs. Garding received her liberal arts degree from the College of Saint Catherine's and began her teaching career in Edina in 1948. She then came to Albany High School in 1954 and taught physical education, English, and was the librarian until 1964 when she began teaching English full-time. Mrs. Garding will be retiring from teaching at the end of this year, having been at Albany for 24 years. When asked what she would have done differently if she could have changed anything in her life, she responded, "I can't imagine. I can't think of a thing. I am one of those rare people who found a vocation and loved every minute of it." Mrs. Garding has been voted "Favorite Teacher" every year since the beginning of the award.

Mrs. Garding, the faculty and students of Albany High School will miss you very much.

Peter M. Hergés will retire after 26 years from coaching football at Albany Senior High School after the 1979-80 season. He began in 1954 as assistant football coach and took over the next year as head coach. During his coaching career he compiled 167 wins and 51 losses, including 11 conference title wins. In interconference playoffs Albany participated in 7 of 9 and won 5. He hasn't had a losing season for 18 years. Mr. Herges said that a good part of the football program's success is due to community support. Through his dedication and leadership over the years, Mr. Herges has greatly contributed to the success of Albany's football program. His enthusiasm on the football field will be hard to replace.

Mr. Herges will continue at Albany Senior High School teaching 2 classes of social studies and overseeing 7 boy's and 6 girl's athletic programs as Athletic Director.

CORONATION

An old tradition was foregone this year at AHS. Instead of the usual Monday night powderpuff football game, a co-ed soccer game was played. But as usual, the superior senior-freshmen team prevailed . . . The volleyball team put up a comendable showing when they defeated Holdingford on Tuesday evening and bowed to Sauk Centre on Thursday . . . The Huskie Olympics were naturally a success. The juniors edged the seniors to take top honors. The sophomores followed and the freshmen took 4th place by a landslide . . . The juniors were "playing with a full deck" when they built their award winning float by the same name . . . During the coronation program the Steve Martin influence was prevalent in the sophomores "King Tut" skit, and in the impersonations by seniors Paul Kammermeier and Gary Shay . . . The senior girls made their first (and last) motion picture; the star was none other than Mr. Bill . . . Joyce Hanauer was the fortunate winner of the autographed game football which was raffled off by the Student Council . . . After school on Friday the cross country team did well in the Purple Jog competition by placing 4th . . . And on Friday the Albany Huskie football team proved that it was "Dog Daze for the Lakers" when they decisively defeated Glenwood 35 to 6.

ACCOUNTING

THE YEAR IN REVIEW

Pope John Paul II visited the United States on a mission to promote world peace. Wherever he went he was met by huge crowds of Americans.

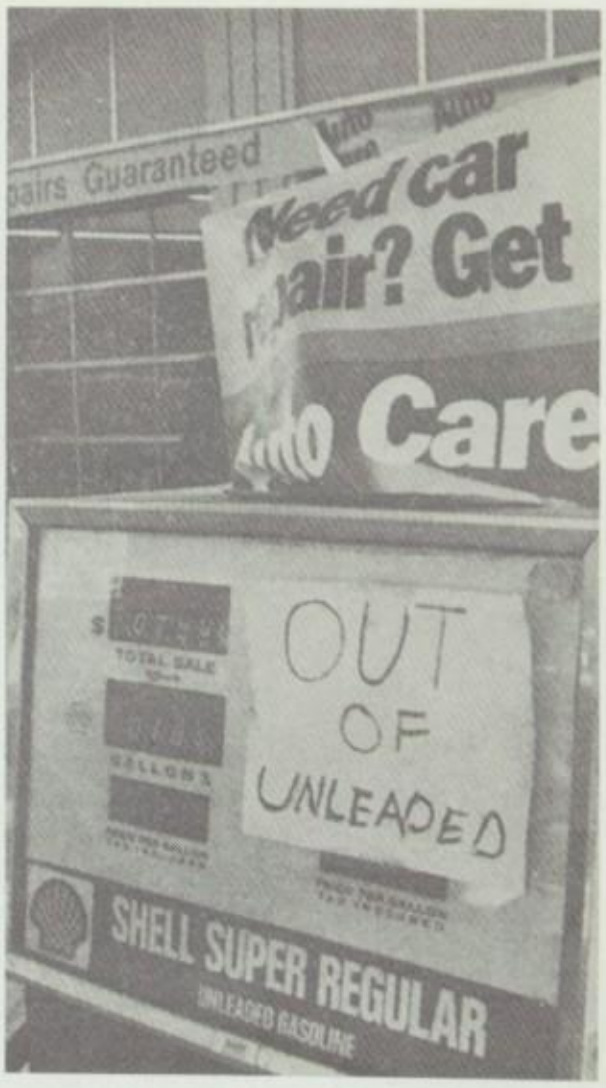
The exiled Shah of Iran has been the object of much controversy. When the U.S. allowed the Shah to enter this country, militants in Iran took about 50 Americans in the U.S. Embassy in Iran hostage. The militants demanded that the Shah be turned over to them in exchange for the hostages. the U.S. refused, and after 100 days the hostages remain in captivity.

The infamous Ayatollah Ruhollah Khomeini became the new leader of Iran after the fall of the Shah's regime. The Ayatollah was also named "Man of the Year" by Time magazine.

With the upcoming presidential election, the candidates are vying for thier party's nomination in the primaries. Senator Ted Kennedy, above, is opposing President Carter for the Democratic nomination.

Arthur Fiedler, conducter of the world famous Boston Pops, died in 1979.

The accident at Three Mile Island nuclear plant prompted a surge of protests against nuclear energy.



The gasoline shortage has caused the price of gas to skyrocket over one dollar a gallon.

Wild and Crazy comedian Steve Martin

Above: Comedian and T.V. star Robin Williams, alias Mork from Ork, catapulted to fame in the television series Mork and Mindy. In which he stars as an alien from the planet Ork.
Right: The movie "10"'s Bo Derek is quickly becoming America's new female sex symbol.

And who can forget. . .

The invasion of Afghanistan by Soviet troops causing the U.S. to boycott the 1980 Summer Olympics in Moscow to show our disapproval of the Soviet action?

The Afghan invasion brought back the possibility of a draft, but this time it has a new twist—should women be drafted?

The People's Temple mass suicide-murder in Guyana, including the death of cult leader John Jones?

The DC 10 plane disaster?

Theme From Mahogany
(Do You Know)

Do you know where you're going to?
Do you like the things that life is
Showing you? Where are you going
to,
Do you know?
Do you get what you're hoping for
When you look behind you there's
No open door. What are you hoping
for,
Do you know.

Once we were standing still in time,
Chasing the fantasies that filled our
minds.
And you knew how I loved you, but
my
Spirit was free, laughing at the
questions
That were once asked of me.

Do you know where you're going to?
Do you like the things that life is
Showing you? Where are you going
to,

Do you know?
Do you get what you're hoping for?
When you look behind you there's no
Open door. What are you hoping for,
Do you know?

Now looking back at all we planned
We let so many dreams just slip
Through our hands. Why must we
Wait so long before we see
How sad the answers to those
questions
can be?

Do you know where you're going to?
Do you like the things that life is
Showing you? Where are you going
to,
Do you know.

What lies behind us
And what lies before us
Are tiny matters compared to
What lies within us.

THE CLASS OF '80 LOOKS BACK

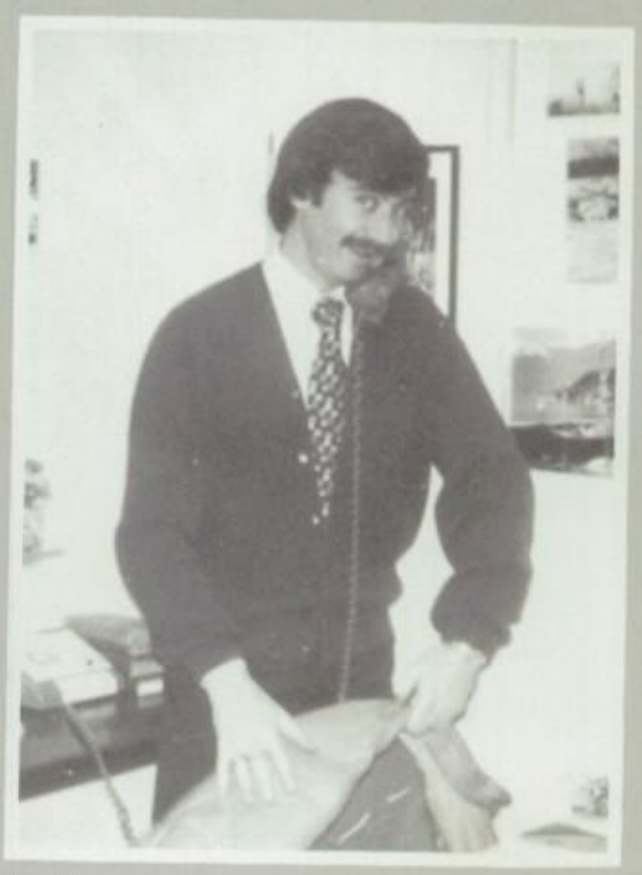
Memories light the corners of my mind. Misty water colored memories, of the way we were.

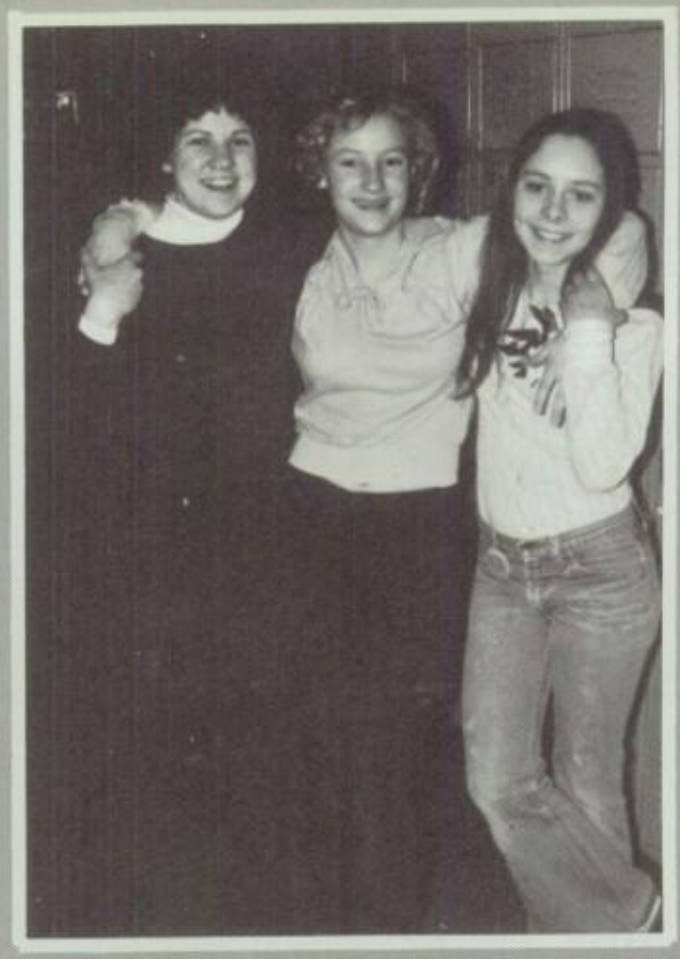
Scattered pictures of the smiles we left behind.

smiles we gave to one another, for the way we were.

Can it be that it was all so simple then, or has time rewritten every line? If we had the chance to

do it all again, tell me would we? Could we?





Memories, may be beautiful and yet, what's too painful to remember we simply choose to forget.

So it's the laughter

we will remember, whenever we remember the way we were; The way we were.

There is beauty in everything.

In happiness shared. In kindness.

In each small success. In a day.

There is a spiritual beauty

in friendship and brotherhood.

And in the perfect works of nature

there is a beauty that gives meaning

and purpose to life.

In its time, in its own way,

everything is beautiful.
